

# LEAVE

(Glen Hansard)

I can't wait forever  
is all that you said  
Before you stood up

And you won't disappoint me  
I can do that myself  
But I'm glad that you've come

Now if you don't mind  
**Leave, leave**  
**And free yourself at the same time**  
**Leave, leave**  
**I don't understand, you've already gone**

And I hope you feel better  
Now that it's out  
What took you so long?

And the truth has a habit  
Of falling out of your mouth  
But now that it's come

If you don't mind  
**Leave, leave**  
**And please yourself at the same time**  
**Leave, leave**  
**Let go of my hand**  
**You said what you have to now**

**Leave, leave**  
**Let go of my hand**  
**You said what you came to now**  
**Leave, leave**  
**Leave, leave**  
**Let go of my hand**  
**You said what you have to now**

**Leave, leave**
